

Le calendrier scolaire 2020-2021

The image shows a screenshot of the official French school calendar for the 2020-2021 academic year. The calendar is organized into columns for different levels of education: Maternelle (Nursery), École Élémentaire (Primary), Collège (Middle School), Lycée (High School), and Supérieur (Higher Education). It lists the start and end dates for each level, as well as the dates of major holidays and school breaks. The calendar is color-coded by level: orange for Maternelle, blue for École Élémentaire, green for Collège, and purple for Lycée. The Supérieur section is partially visible on the right.

Notre académie de Toulouse fait partie de la zone C.
